

THE NUGGET

Colour Supplement

No.353 April 2023

EDITORIAL

I'm as pleased as ever to present the April 2023 edition of the Nugget Colour Supplement.

In the words of someone else we know, this issue is a Gallimaufry of items lounging around on my iPhone since Xmas, not least of which some great action from vCOW 2023.

I hope you get to enjoy the better weather to come over the next few weeks and that your build-up to COW goes well. Whatever it is you're doing, do send in pictures of it! You'll find me as usual at russellking712@hotmail.com

Thank you and I hope you enjoy the issue!
